2023 CCFA Annual Scholarship Silent Auction Donation Request

The Chesterfield County Fair Association, Inc. (CCFA) hopes that you will take a few moments to read about our upcoming event and decide to participate by donating to our 2023 CCFA Annual Scholarship Silent Auction.

Opening day of the Chesterfield County Fair is August 25, 2023; during that time, we will be hosting a 9-day Silent Auction. This auction will take place online, and all donated items shall be displayed at the 2023 Chesterfield County Fair from August 25th – September 3, 2023. The auction is going to be hosted by Grindstaff Auction Services (@ www.grindstaffauctions.com) whom will be donating their services at no cost.

Every bit of help is quintessential during these tougher times which is why the CCFA established this Auction. We believe that we need to help foster the future of this upcoming generation in any possible way. Thus, all funds raised will go towards scholarships for Chesterfield County High School Seniors graduating in June 2024. Last 2 years, all of us were able to raise over \$11,500, and to make this event as exciting and extravagant as we hope it to be, we will need your help again!

Please consider supporting our event by donating gift certificates, merchandise, or services. In exchange, you will receive some excellent community exposure and advertising. Your company name, address, phone, and website will be listed with your donation in the online auction and in our daily announcements during the fair. If you are an individual or your company cannot donate an item, please consider calling a few places in your surrounding community to see if they would be willing to donate an item, for our Silent Auction.

Your donation is tax deductible, and we would be happy to provide our Tax Id Number upon your request.

We will gladly pick up your donation, or it can be mailed to Chesterfield County Fair Attn. Silent Auction P.O. Box 801 Chesterfield, VA 23832. For your item to be included in the Silent Auction we must receive it by, Saturday July 29, 2023. Please fill out the attached Donation Form and return it with your donation. Please contact Donnie Yancey (804)221-5943 with questions concerning the Silent Auction.

Thank you in advance for considering our request and for supporting the 2023 Chesterfield County Fair Scholarship Fund.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.
