### **Support local students by contributing to the 2024 CCFA Scholarship Auction**

Join us in making a positive impact on Chesterfield County students' lives by contributing to the 2024 CCFA Annual Scholarship Silent Auction. By doing so, you'll be helping them achieve their academic dreams. Your involvement in this event will be greatly appreciated, and it will help us continue our mission of providing world-class educational opportunities to deserving students. Let's work together towards a brighter future for our community!

This year, we are hosting a 9-day Silent Auction that will take place online from August 23 to August 31, 2024. We are excited to partner with Grindstaff Auction Services (@www.grindstaffauctions.com), who have again generously offered their services free of charge. We aim to create a memorable experience for all participants, regardless of location.

In a world where support is invaluable, the CCFA has established this auction to pave the way for Chesterfield County's future leaders. All proceeds generated will directly fund scholarships for graduating high school seniors in June 2025, ensuring that no talent goes unrecognized or dreams unfulfilled.

We have raised over \$16,000 so far and hope to exceed expectations with your support. We kindly request that you contribute gift certificates, merchandise, or services to make this event successful. In return, we will provide prominent exposure and advertising of your company in our online auction and daily announcements throughout the fair. Your company details will be featured, including name, address, phone number, and website.

If you can't directly donate, there are still ways to support our cause. Consider getting involved in your local community or spreading the word to potential contributors. Every little bit counts!

Rest assured, your contribution is tax-deductible, and our Tax ID number is available upon request. To streamline the process, we are happy to arrange the pickup of your donation, or you may mail it to Chesterfield County Fair, Attn—Silent Auction, P.O. Box 801, Chesterfield, VA 23832. Please complete and return the attached Donation Form by Tuesday, July 30, 2024, to ensure your item is included in the silent auction.

If you have any questions or require further information about the Silent Auction, please contact Donnie Yancey at (804) 221-5943.

Your support is pivotal in shaping the future through education, and we are immensely grateful for your consideration of our request. Let's make the 2024 Chesterfield County Fair Scholarship Fund a beacon of hope and opportunity for deserving students.

Warm regards,

Donnie Yancey, Secretary Board of Directors

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.
